February Anniversary Correction

February 14 Mick and Tami Bosovich, not Mike and Tami Bosovich

From the Director:

I would like to thank all of you who attended our February social meeting and commend those who brought something to share. It was nice to just relax and spend some quality time with others members. Thank you to Uke's and their staff for allowing us to conduct this at their facility.

This year I would like our chapter to concentrate on attending as many of our various rides as possible. The RC's are going to make themselves available at every meeting to promote their various rides. Hopefully the weather will cooperate this year so that we can pile on the miles. We would like to see many more faces on our rides, especially the Chapter Events. If you need more information on any ride, please ask any of the RC's or Board Members.

A particular emphasis will be adding people to our Memorial (Baraboo) ride. The RC's are planning several different routes up to Baraboo which will all count as participation rides. In the past only the traditional route was accepted, but starting this year we would like to get to the heart of the matter and that is the remembrance of our departed brothers and sisters. There will be a published set time and place for the memorial ceremony as well as the RC's adding rides to different locations for dinner afterwards.

That being said we will still have the Break out and Bike Blessings rides before the Memorial ride.

If you would like to get involved in the Iron Butt program please contact me with your starting mileage. You can do this by emailing me with a picture of odometer and info on yourself and your bike. Those of you who reported mileage last fall do not have to re-report information this spring. I will also have someone at the April and May meetings available to take information on your bikes if the snow ever leaves.

I am looking forward to seeing and riding with all of you in our 2014 season.

Ken Robers

Hi everyone,

Hopefully this ridiculous weather is behind us. We are starting off our season either way this month! March 1st is Mardi Gras with our famous jambalaya. The parts & service department will be holding a Lighting & Boom! Audio Workshop @ 10am. For the day, \$50 off LED headlamp and/or passing lamps, \$50 off Boom! amp & speaker kits. If anyone needs a new spring jacket – casual outerwear will be \$25 off and they start at \$99! Some exclusions apply, of course.

March 15th we are trying something new - Feel the Harley Experience. Each department will be conducting a workshop to introduce new riders or renewed riders to the Harley-Davidson lifestyle. The workshops will be Fit Shop (customizing your motorcycle for you), Triple Vent Jacket (this jacket is amazing), Bike Fitment (finding the perfect ride for you) and Dyno Experience (simulated riding). Anyone is more than welcome to join and please pass on this information if you have a budding rider in your life! Workshops starting @ 10am and 1:30pm.

April 5th & 6th we are having a Spring Open House and Uke's Annual Memorial Ride. Hopefully the weather will cooperate because we are going to demo the new 2014 touring models! We want to make sure everyone has a chance to feel the new changes! Look for a postcard in the mail for all the details.

So who is winning chili cook off this year??

Thanks,
Uke's Team

News from your Head Road Captain

I saw the sun the other day, so there is hope and proof that riding season will be arriving soon. The road captains and I are continuing to work on rides for this season. As part of our meetings this year we will be addressing some riding issues and concerns so please look and listen for these opportunities. All of our road captains will have current CPR/First Aid once again during this riding season. During the chapter meetings, please feel free to talk to me about riding and rides.

As the season starts approaching, consider taking the time to make sure your bike is ready to ride. Remember, Keith has challenged us to put on some serious miles this year. If you have not turned in your odometer reading but want to be on the list for Iron Butt (10,000) please let me know. Let's see if we can surpass the 40,554 miles we put on last year.

With the emphasis of our Chapter being a riding chapter, please consider volunteering for some of the activities that we have during the year.

Hey Ladies:

MARCH: CHILI COOK OFF All hands on deck to help set up, serve, clean up. Chapter Event

LOH Event - anyone interested in a Jazzercise class??

APRIL: I would like to **suggest** a 'cookie and snack tray creation meeting' for the National Telecommunication Appreciation Week (April 13-19). Local police and sheriff's dispatchers play an enormously important part of public and law enforcement safety, and much of this role goes unappreciated. I would like to suggest we gather with pre-made (homemade/store bought) snacks and goodies to prepare plates or trays for local police/sheriff's dispatch departments. We will need 3 per department (one tray for each shift). I would also suggest we prepare these for the Kenosha City PD Dispatchers and the Sheriff's Dept. Dispatchers. If there is enough interest and participation, we could certainly add more departments to our recipient list.

May - Bike Blessing

Are we ready to ride yet?? Wooooo Hooooo!! LOH Ride and or event TBA.

Other random thoughts:

JUNE: LETS RIDE!!!!

JULY: Galena overnight?? Ladies only?

AUGUST: Algoma overnight ride - **everyone welcome**

SEPTEMBER: Oh the lovely riding weather of September!! Tomahawk!! 'Ridin' to a Cure' get donations & baskets put together for this fundraiser!

OCTOBER: October-fest anyone??

NOVEMBER: Shopping at Ginger Blossom again - another new tradition?

DECEMBER: Cookie exchange

Do you have a special passion or talent that you would like to share with us? Please forward your thoughts to me. Also, do you know of any other women interested in being added to this list?? I added everyone that was at the November event, along with a couple more that told me they were interested. Feel free to pass this on to all interested LOH.
