Spring Has Sprung! Let's Ride!

Thanks go out to Keith and Randy for their confidence in my taking over the Treasurer position. Vicki, thanks for the refresher. Thanks to Stuart for taking care of the raffle tickets. There will be envelopes at Uke's, so if you need some more envelopes, please see one of the ladies in motorclothes. You can also turn in your sold books there.

That's all I have for right now.

Thanks,

Minutes with Stu

Happy Spring! It's finally May J. We officially started off the season with our Break Out Ride, UKE'S Open House with Keith's Memorial Ride, and The Blessing of the Bike's is coming up on May 3rd (with our Chapter Meeting first starting at 9:00am) and the Baraboo Memorial Ride on May 16th.

During the April meeting we welcomed our new Treasurer Brenda Thompson. Many thanks goes out to Vicki LaFave for a great job done while she held the Treasurer position. Thanks also to Brian Hawver and Bill Westerlund for updating the calendar and for making it available on your smart phones and tablets. We awarded Bob and Joan Lesko the perfect attendance awards. Thank you both for all you do for our Chapter! Patti Kremser was selling/handing out the stamp books. Make sure you get yours and start getting your stamps.

Teresa and I started handing out the raffle ticket packets. We once again will be raffling off a bike - a 2015 Street Glide Special. There will be 8500 tickets raffled off in honor of UKE'S 85 years in business this year. The raffle tickets have a picture of the bike on them, and ticket prices are \$5.00 each or 5 for \$20.00. We need to sell A LOT of tickets, so if you did not receive a packet please pick some up at the front counter at UKE'S. Once you have filled a packet, please return the money and tickets in the envelope to either myself or to the counter at UKE's.

Gym Fry talked about upcoming rides. He mentioned there will be a list of all the upcoming rides you can choose from. We encourage all Chapter members to sign up so that the Road Captains will have an estimated head count and can plan for these events. Even if you are not sure it will be better to have an open seat than not enough seats, if we make reservation at a food stop.

During the Blessing of the Bikes on May 3rd we will need volunteers to help out so if you can please see Bob Evans or Gym Fry. We had a couple of guest speaker's talking about upcoming charity rides and a group that works to makes our streets safe for motorcycles.

Some of the Board Members now have Chapter emails please note:

Randy Cook- director@kenoshahogchapter.net

Kevin Klee- assistantdirector@kenoshahogchapter.net

Brenda Thompson- treasurer@kenoshahogchapter.net

Stuart Goldstein- secretary@kenoshahogchapter.net

That's all until next month - remember every ride is a new memory! Stuart.

Hi Everyone!

Finally we can get out on the rode! The winter felt so long this year. We are planning our Annual Open House on June 5th, 6th & 7th. We will have demo rides, BMX bike show, music, food and door prizes. If anyone else has any other good suggestions let us know! We are going to have a Lego Brick show here on May 16th & 17th in the HOG Room. Bring all the kids! It's free! If you haven't seen the incredible Uke's Tower and front façade made of Legos you need to come in and check it out. On May 17th the Unforgotten Riders will have a ride leaving from here at 10:30am. Join them if you can, it's a great cause. Keith is starting up his rides to the Harley-Davidson Museum for Bike Night on May 21st leaving at 6pm. They will be the 3rd Thursday of the month throughout the summer. Join him – you will not be disappointed! If you need tires, Dunlop is having a rebate of \$50 if you buy a set of 2 through May 31st. As always, keep the shiny side up!

Ride Safe,
The Uke's Team

Chasing the Dry Line (things I've learned on the road. again)

- 1) Pack everything. You're probably going to need it. But leave room to pick up treasures along the way.
- 2) Put on your rain gear as soon as you find rain. You're probably going to need it.
- 3) Don't push yourself. Take plenty of breaks. Drink water and eat right.
- 4) Two GPS devices can give you three different routes, but can't get you out of Detroit.
- 5) To avoid the rain, put on your rain gear in the morning, and wear it all day long.
- 6) I learned a new word! The "Dry Line" is where the rain starts or ends (depending on your perspective). Often we can see this line in the clouds. Change your route accordingly. Leave yourself plenty of time for these changes if you have somewhere to be.
- 7) Without any personal experience in this, it still bears repeating. You are not protected from lightning by your tires. That's what a Faraday cage does. Get off the road and seek shelter immediately if you see lightning.
- 8) Time slows as you approach your destination. Don't rush.
- 9) Whatever your journey turns out to be, keep your focus. Take a break when you need it.

We're all looking forward to a great riding season. Safety first, then fun. Plan a ride you have been wanting to do, and do it! There are a lot of interesting people out there. Meet a few.

Randy
