Hello KHOG members!

Welcome to riding season! Finally we're past the cold, snow, and salt (knocking on wood and crossing fingers as I say it). Thanks to Gym Fry, we had a wonderful breakout "Ride the Dust Off" on Saturday April 16. I was able to join, and the route was excellent, the weather was beautiful, and we had an excellent turn out. It was very cool to see those who showed!

Now that we're into our favorite time of year, some of us have forgotten basic rules of being out on our motorcycles. Like using sunblock on a sunny day. I found after riding, I had developed quite a sunburn on my face! It was so wonderful to be out in the sun and wind, it never occurred to me to bring this essential along.

I'm also a poor example when it comes to hot weather riding. When the summer comes, I tend to dress down, show more skin, and let the wind cool me. But in the hottest weather, this can actually be detrimental. I read an article recently online at www.fix.com entitled "Riding in Hot Weather", and it was very informative. Apparently, exposed skin can accumulate more heat than would be the case with proper clothing. Who knew? I'm inserting a link to the article below, but it's easy to find, just Google it.

The article also mentions staying hydrated. Keeping your water intake up is vital to your health. Coffee and beer don't count! If you know it's hot out, and you can't sweat, or pee clear, you're probably dehydrated! I hope it isn't news to any of us that if you feel dizziness or lightheaded, stop!! Let's stay safe and healthy this riding season.

Looking forward to an incredible season for 2016. Hope to see you all on rides!

P.S. I don't know if this will work, but let's try:

Riding season has officially started for those who are interested. As the writing of this article, our first official ride, Ride The Dust Off, has happened and what a beautiful day it turned out to be for 23 bikes. Hopefully, everyone is getting out and putting miles on those iron horses. Upcoming rides are listed below and remember that if you go on a chapter ride you will be earning points toward the Rider's Cup at the end of the season. This include a point for each chapter ride and one for each stamp stop you make. The Rider's Cup is open to passengers as well.

04/23 The Original Pork Chop Ride Leaving HOG Room at 2:00 PM
05/01 Bike Blessing After Chapter meeting
05/14 Baraboo Memorial Ride Rides leaving at 7:30, 9:00 & 9:30
05/21& 05/28 My Favorite Place Rides Varying times

Remember if you are on a ride, take some pictures, send them to me or the editor and we can get them iup on our various media locations. If you are interested in helping with the Bike Blessing or Poker Run, please contact me.

Members,

It was suggested maybe we do a bake sale at the bike blessing.

How many ladies would be interested in baking something to sell at the Bike blessing on May 1st. We would need a lot of bake goods do make it worthwhile to have the bake sale.

Also I am going to need volunteers to take permission slips for the riders coming in for the bike blessing. Let me know if you are interested in helping. Time you need to be there will be posted soon.

After the June meeting we are going to stay to finish the tie blankets for the charities. We have five more blankets to make. Please let me know if you can stay and help with the blankets. Email me at dnorwich@wi.rr.com

Also still want to plan an outing. Who would be interested in Going to Gin Blossom in Richmond IL to go shopping and then to lunch- let me know on a Sunday afternoon. Either email me at dnorwich@wi.rr.com or call me [262-287-8143](tel:262-287-8143).
