What a beautiful day for a bike blessing. I would take the credit as the new director for the weather, but then I would have to deliver the same thing next year. Let's just thank the Director upstairs with the assistance of Moses hold back the storms.

Special thanks go out to Paula Stumpf for the fine planning that she did. Great Job!!! All those special people from the Sheriff's Department and the Fire Departments who made our trip a safe one. To the DOT and Highway construction crews who opened up the underpass just for us, the church and Pastor Judy, a special thanks. Thanks to all of the Road Captains that parked bikes at Uke's, Calvary Congregational Church and at 75th Street Inn. Thanks to all who collected the release forms at Uke's. But most of all thanks to all the bikers that showed up to celebrate with us.

Up next is our annual trip up to Baraboo to honor those who were our brothers and sisters and who have passed before us. It will be leaving Uke's at 8AM on Saturday May 18th. I'm sure that Gym Fry will have more on this ride and I hope you can join us.

Also the dinner rides will be starting on May 15th. We will be leaving Uke's at 6:00PM sharp and traveling to places in our Stamp Book. So if you don't have one yet, this is a good time to get one.

Keep selling those raffle tickets and get them turned in as soon as you fill the envelope. They can be left at Uke's in the motor clothes department and they have more for you to sign out. If you would like to sign up for times to sell at Uke's you can check out the calendar on the members only page for available times and then send your requests to either Vicki or myself. Email pickyvicki78@yahoo.com or krobers2@wi.rr.com for your times. Thanks to all and let's get out there and ride!!

Director

I would just like to thank everyone for selling raffle tickets. If you need more, you can get them at Uke's or the next chapter meeting. Thank you for those that have turned in their envelopes already – I have about 20 of them – that's 600 tickets sold! Only about 7500 more to go! We are hoping to sell 8110 tickets this year!

We need people to sell at Uke's on the weekends; if you are available, let me know.

News from the Head Road Captain

I heard that the Bike Blessing was a good time this year. Unfortunately Cheryl and I were out of town and missed it. By the time you read this the pre-ride for Baraboo will have happened and the roads are good. Hopefully you will have the opportunity to read before the ride and possibly think about joining the ride if you aren't already on the ride. Please continue to checkout the calendar as the road captains are continuing to try and add rides. Dinner rides and Friday fish fry rides will be starting soon. See you on June 9th.

Keep the shiny side up.

Hi Everyone!

This is going to be an eventful summer! The 110th Anniversary is right around the corner! Bring your bike in to make sure it is tuned up and ready to go. The service department is waiting for your calls!

The Open House/Demo Days are such a great way to kick off the season. The Harley-Davidson semi will be here filled with 2013 bikes. LET'S RIDE THEM ALL!! We will also have live music on Saturday & Sunday, 20% off licensed products, door prizes on Saturday & Sunday and Danny's Meats.

The Harley-Davidson World Ride will be June 23rd & 24th. We have not worked out all the details yet, but we will probably do something similar to last year. Just check the website and e-newsletters for updates.
