Hi all!

Even with visiting the host Dealership for the state rally this year I can not get any information for hotels at all.

I have tried in earnest to get any information and continually hit road blocks. I have attempted to contact the Harley brass and have yet to get a return email.

In regards to the Baraboo snafu, let me be the first to say that I am sorry that the ceremony was started prematurely and be assured that I will not allow that to happen again. The time is now set from this date forward the Memorial Ceremony will begin at 5:30pm.

As far as Baraboo is concerned, I would like to say this is a tradition that allows us as a "Harley Family" to show our respect to members who are no longer here. This is a social event, with the memorial taking precedent. We would like to again make Baraboo a huge tradition that nobody would want to miss. Do you have any suggestions that will help us regain the significance of the weekend? HOG is about being part of a riding family and when we loose a member, a part of that family is missing, we need to recognize each member and continue to grow as a family. Thank you in advance for your suggestions and I look forward to next years event, as it will be bigger and better.

We are recognizing members who have beat cancer this year in the Cancer Survivors Calendar. This calendar is a follow up to the 2003-2004 calendar that matched Cancer survivors with Harley-Davidson Motorcycles. Six members have graced the pages of this calendar and other members have donated their motorcycles to be photographed. I would be remiss if I did not thank Keith and his staff. Keith supplied 2/3 of all the bikes photographed, had them delivered to the location, supplied the leathers and clothes while allowing his staff time away from the dealership to assist in the process. For that we are most grateful. Key Light Photography again provided the expertise of the photos.

Sunday July 28th, there will be a Premiere Party of the calendar that will feature a ride from Woodman's to Uke's escorting a limo with all the survivors. Upon arrival at Uke's the survivors will each autograph calendars for those who will be waiting to purchase them. There will be food and drink for sale. All proceeds will benefit the Relay for Life. We are currently talking with local and regional media for television coverage of this event.

Thank you to all the chapter members for their assistance in this project, and I look forward to working with you to again create that HOG Family atmosphere for all that we do as a chapter!

Ride safe, see you on the road,

Kevin Klee
Assistant Director

I will be doing a ride to Crandalls for broasted chicken on Saturday the 25th of July. I need a head count so I can reserve the number of seats. I will have a sign up sheet at the picnic or you can call me at [\(847\) 395-0144](tel:8473950144),

Feel Better

We hope that Melody Dunn is feeling better.

Hi Everyone!

We have 1 more month until the big 110th Anniversary celebration! Hope everyone is ready! We are just finalizing the last minute details and it is going to be a great time. We have some fun stuff coming up this month as well! We are going to have our Rock N Ride and a Swap Meet on July 13th. The weather was terrible for the last one so we thought everyone would want a redo just in case they had items or a motorcycle they wanted to sell. Call the parts department if you need a space. For the Rock n Ride we are going to go on fun ride and back here to check out what everyone has for sale! You must wear your blue suede shoes! July 20th Keith will lead a ride to Bike Night at the Harley-Davidson Museum. Kickstands up at 6pm! No need to sign up, just ride over!

Everyone that has signed up for the VIP tour at the Harley Museum just make sure you are here by 8:30am on July 28th!

Ride safe.

If you are not receiving emails or newsletters, it could be due to the fact that I had difficulty reading many email addresses on the membership applications. Please if you are not receiving emails or newsletters send me an email so that we can get the correct email in our database. You can email me at jcsmart67@gmail.com We do ask that if you have an email you allow us to email you the newsletter as it saves the chapter on mailing costs but if you would still like to receive a hard copy of the newsletter and you are not receiving it, please let me know that as well.

I have many membership cards that have not been picked up as of today and I will have them with me at the next chapter meeting but after that they will be at Uke's and you can stop there to pick them up. I have also had many members that I have emailed regarding information on their membership application that was missing or incorrect. Please if I have emailed you looking for information I would like to get the database finalized so I would appreciate a response. Thank you!

If you were not at this last meeting and you are planning on attending the Chapter Picnic which will follow the July meeting on Sunday, July 14th, please let me know as soon as possible so that we have a correct count for the food. We also do ask that you bring a salad or a side dish to pass. We had three new members at the June meeting that we would like to welcome to the chapter!
