Hi Everyone,

The riding season seems to have come to an end. Hopefully everyone that needs winter storage has dropped off their bikes or plans to very soon. If you spend \$500 in parts & labor over the winter your stay is free! We will take good care of your baby! The holiday season is beginning. We have a bunch of things planned in December and we will fill you in as soon as we have worked out all the details. Here's to hoping there will be a few nice days in November to ride!!
