Belated January Birthday

January 6 Mike Wegmann

Hi everyone, I'm your new activities officer. My wife (Melissa) and I both are chapter members. She rides a 2011 Heritage Softail and I ride a 2010 Ultra Classic. Last year we added a beautiful baby boy (Lucas) to our family (future rider, for sure!). When we aren't riding, we like to brew our own beer, attend beer festivals and participate in our homebrew club in Racine. I'm also a road captain and am always looking for an excuse to ride if I can fit it into my schedule.

We'll be trying to make a few changes this year to make it easier to find out what is going on and, hopefully, get more members out riding and participating in more chapter rides. One of the first changes we made this year is the calendar. We are hoping it will be easier to get to and incorporate into your own calendars by using Google. I'll be working with Bill to see about getting it embedded on the website. We are also hoping to get a survey out soon from the road captains on what we can do to get more riders on the rides...so stay tuned.

Please don't hesitate to contact me if you have questions, ideas, or concerns. If I can help, I will, otherwise, I'll try to get someone else that can.

Congrats to ~ Kevin Klee for Assistant Director

I would like to thank for your support . I will start work on getting info on the HOG RALLYS. See you all the Feb. meeting.

Hello Kenosha HOG Members!

STOP! Before reading any further, have you submitted your new membership form? Remember, the local Chapter membership follows the calendar year, so we're all new members every January. This newsletter has the two-page form at the end. Please get it to Patti Kremser or Stuart Goldstein ASAP, along with your dues. Again this year, we have not increased dues, so it's \$20 for full members and \$15 for associate members.

On the topic of new members, let's think about that for a minute. We already have a great Chapter, and every event or ride is fun, exciting, and memorable. Our members are friendly, relaxed, and caring people. Why not share that with someone you know. If they ride, invite them along. If they don't ride, invite them anyhow! Many of us have been non-riders at some point, and I think most of us have ridden something else before our Harley-Davidsons. That one friend of yours who admires HD, and wants to come along, but they won't presume...they're just waiting for your invitation. Here's how you spot them: invite everyone, and the interested friend will show up! Easy, eh?

Bottom line, more members will make the Chapter more fun for all. Be sure to introduce your friends to me; I'd be delighted to meet them.

My next thought is about the upcoming riding season. Although it may seem to be far off, the time will come where it's too late to plan. Especially larger, longer rides, start your planning now if you haven't already. The roads aren't going to change (much), and hotels will take your reservation. If it's on your calendar first, then your other demands will fall around it. So plan your summer adventures soon!

And please check out the new Chapter calendar. Since it's based on Google calendar, many smartphones and tablets can show you our events at a glance. Again, plan around these so we see you as much as possible. A few Chapter events do not yet appear on the calendar, but will be posted soon. As ride ideas get submitted by the Road Captains, these will show up as well. You can also go directly to the calendar at <http://goo.gl/Atsvnn> (yes, capitalization matters), or through the Chapter website.

Until the next meeting,

Randy

Well, here we are! February already, getting that much closer to riding season. Our January meeting was our annual membership renewal. Thank you to Patti Kremser and all of her helpers in making it a very smooth operation. We voted in our new Assistant Director Kevin Klee. Both he and Paul Steffensen were very good candidates and it was a hard choice. We discussed the pot luck dinner we are having on February 07 for the chapter meeting. There will be sampling from the new catering company we will be using for our 2015 Christmas dinner and you are encouraged to bring a favorite dish to pass. We discussed fundraisers for the year; we once again will be raffling off a motorcycle. The bike will be a 2015 Street Glide Special. There will be 8500 tickets raffled off in honor of UKE'S 85 years in business this year. The raffle tickets will have a picture of the motorcycle on the ticket. They will be sold at \$5.00 each or 5 for \$20.00. There was discussion about the stamp book. The cutoff date will be February 28, 2015, so if you know of a business you will like to get in the stamp book and not sure what to do, please contact Margarita Ramon, Bob Clampit or one of the officers and we will assist you. There will be open discussion for the chapter board 1 hour before the board meeting, where anyone can attend with concerns, questions or any suggestions you may have. We would always like to hear from you. That's all until next month - remember every ride is a new memory!

Stuart.

## News From Membership:

We are gearing up for another busy month in the Membership department.....We have only about a third of our memberships renewed so far...so please ask your buddies in the club if they have filled out their forms! Before you know it, we will have our bikes out and we will be ready for our group rides, but we will need your signed waivers in place (they are part of the membership forms) to make the check in process go very smoothly!

In addition to renewals, one of our goals this year is to INCREASE the size of our organization and we need your help to accomplish this. I am sure you all know people that love to ride just like you, so please invite them to our next meeting so they can try us out! Spread the word! Let's make more friends!

TTFN.....see you at the meeting!
