Just ride in and we will take care of you - first come, first service. No appointment necessary! Don't forget – if you buy new tires from us we will install for free!

Running short on cash for some new for new parts and accessories? Clean out your garage and get some extra cash with Uke's Swap Meet July 13th. We still have some FREE 10 x 10 spaces available so sign up today!

Looking for a fun way to put on some miles? Sign up 6th Annual Texas Road House Homes for Troop Ride July 27th, stay tuned for more details! Can't wait till then? Put on some more miles with 95 Will Rock's Rock n Rides leaving from Uke's kick stands up at 10:30 am on 7/14, 7/21, 7/28.

So let's get to riding!

Ride Safe,

The Uke's Team

From the Director - Kevin Klee

Hi all!

Well mother nature is not playing very nice is she?
Hope you are finding those pockets of opportunities to ride!

Thank you to the members who assisted during open house with the food stand, raffle tent and during demo rides. Without your assistance the success of these events would not have been seen. Thanks to the members who again contributed to the raffle items your talents amaze many! We were given a number of tables to do with what we want. If any one has an idea or two, let me know. We will be making two poker tables for sure. Got creative ideas 0 let me know and I will see you get a table!

Hope to see you all at the picnic SUNDAY JULY 7th at Brightondale Park. The meeting begins at 11 and lunch will be served right after. We are asking all members to bring a dish to pass as in the past. Considering the great cooks in this chapter you will not go away hungry.

There will be a ride leaving Uke's at 9:30 meandering the backroads to Brightondale.

Happy July 4th to all!

Kevin Klee
Director

Activities!!

Hi I am here!! Wow do you think the weather can get any better?? Just about the time I can get to ride it is raining again!

Chapter PICNIC is Sunday July 7th with the meeting before lunch! Chapter members are asked to bring a dish to pass. See you for the meeting at 11 at Brightondale Park. there is a ride leaving Uke's at 930 that morning.

Calling all crafty people!! We were given a number of round business tables and can do what we want with them. The success of the last poker table was notable and we have chairs to make an additional table. Got any ideas? Let me know. I am a google and pinterest junky so I search there but would like to know what you have in mind.

Shout out to the crafty and generous members who brought in crafts, donated pieces to make baskets or bought drawing tickets. Together we made this a success to support the Chapter.

How are the burgers coming along? They sure do look good from the pictures I am getting. If you go out for a burger snap a picture with the business name on the menu and send it to me to be entered in the Burger Count Challenge! This is a great way to patronize our STAMP BOOK vendors.

Well as soon as mother nature figures out that we should be sing sunny skies and have warm temperatures we should see some riding time. Anyone going to the GREAT LAKES HOG RALLY in Boyne Michigan July 18-20th? If so see you there! Registration is open online. Appears to be a successful location for a rally. Lots of ways to get there around the lake or across or both!

HAPPY SUMMER!

FREEDOM...(Article re-run)

It's why we ride and quite frankly nobody is going to change that.

It's the freedom to choose the next twisty road that catches our interest and follow it to the whatever awaits at the other end. The intrigue of these discoveries never ceases to feed the the soul and keep the flames of discovery alive in our collective souls.

The roads are calling, get on your ride and enjoy, but let's take a few moments to consider some pretty important considerations...

Ahhh, summer, need any more be said? Well actually yes, this is the time of year where we really need to be aware of the concerns this time of year brings.

Heat it's what chases the chill of winter away, it's our friend, right? It is, when we remember the challenges it demands, and we never forget.

We all love our tee-shirts and most of us can be found wearing those black tees that we gather wherever we travel. Let's face it, it's part of our mystique! I rode down to New Orleans a couple of years ago during what turned out to be one of the heat waves that scorched us that year. I remember listening to the news broadcaster mention the difference between a black shirt and a white one is 26 degrees of heat on the body! Think of that the next time you are looking at your clothing selection for the day, it really can be the difference of a comfortable day and a blistering one.

Sunscreen of at least SPF of 30 or above is recommended when we are going to be in the sun for prolonged periods of time. It's okay to share it with those who don't have any with them.

This is also the time of year that we remember to stay hydrated as the sun lays its demands upon our body. Do you have place on your ride for a water bottle? If not it's a smart idea to get one or two, especially if you ride two-up. When riding in a group it's a good idea to remind everyone to get a bottle of water or Gatorade and be sure to drink it up at each stop. Heat stroke is nothing to play games with because Mr Sun wins every time. We really need to watch out for each other on these occasions it can be the difference between life and death!

Heat stroke is the most serious form of heat injury and is considered a medical emergency. If you suspect that someone has heat stroke -- also known as sunstroke -- call 911 immediately and give first aid until paramedics arrive. While waiting for the paramedics to arrive, initiate first aid. Move the person to an air-conditioned environment -- or at least a cool, shady area -- and remove any unnecessary clothing.

We all love our freedoms but let's not forget our responsibilities! Stay safe and enjoy your ride!
